Location

Lindos village, at the heart of the cosmopolitan island of Rhodes, is a popular resort amongst holiday makers and day trippers alike. Being home to some of the most beautiful beaches on the Island along with the domineering presence of its ancient Acropolis, contributes heavily to the visiting numbers and the ongoing popularity of the resort. In the Village itself you will find that traditional tavernas, modern restaurants, bars, craft shops, jewellers and even night clubs all reside happily side by side. The diversity and ever welcoming Lindian culture is the reason that most visitors return year after year to the resort.

Located just 3 minutes' walk from Lindos main square, and easily accessible to Lindos main beach, Thea Villas have the unique advantage of offering guests a perfectly central location, whilst retaining peaceful and quiet surroundings.
